THE BALTIMORE SUN MEDIA GROUP NAMES THE WARNER COMPANIES A WINNER OF THE BALTIMORE METRO AREA 2018 TOP WORKPLACES AWARD

Timonium, Maryland – The Warner Companies has been awarded a 2018 Top Workplaces honor by The Baltimore Sun Media Group. The list is based solely on employee feedback gathered through a third-party survey administered by research partner Energage, LLC (formerly WorkplaceDynamics), a leading provider of technology-based employee engagement tools. The anonymous survey measures several aspects of workplace culture, including alignment, execution, and connection, just to name a few.

“Top Workplaces is more than just recognition,” said [Doug Claffey](#), CEO of Energage. “Our research shows organizations that earn the award attract better talent, experience lower turnover, and are better equipped to deliver bottom-line results. Their leaders prioritize and carefully craft a healthy workplace culture that supports employee engagement.”

Chairman and CEO, Lee W. Warner, stated “being selected as a Baltimore Sun Top Workplaces is great for the company. Our people are what make the difference. We are happy to have the team that we do!”

“Becoming a Top Workplace isn’t something organizations can buy,” Claffey said. “It’s an achievement organizations have worked for and a distinction that gives them a competitive advantage. It’s a big deal.”
