

YOUR FLEXIBLE BENEFITS

CRITICALASSISTANCE PLUS® CRITICAL ILLNESS INSURANCE

***CriticalAssistance Plus*, underwritten by Transamerica Life Insurance Company, is extra help when you need it most.**

Even with traditional health insurance, a serious illness can mean a big financial setback. There can be copays and coinsurance, time lost from work, travel for treatment, and other costs.

CriticalAssistance Plus critical illness insurance can help you and your family prepare for the financial stress a critical illness can cause. It's designed to provide extra money to families helping them cover the costs associated with the initial occurrence of a heart attack, stroke, cancer, or other serious illness as defined in the policy.

You choose your benefit amount, and benefits are also available for your spouse and eligible children. Their benefit amount will be 50% of the benefit you elect.

LUMP-SUM BENEFIT

This policy pays a lump-sum benefit equal to the amount you choose multiplied by the applicable percentage shown in the schedule of benefits upon the first ever occurrence of a covered critical illness within each category. If the benefit payment is less than 100% of the selected benefit amount, the policy pays another lump-sum benefit amount upon the diagnosis of a different type of critical illness within the same category up to the limit per category. There is a lifetime maximum of three times the benefit amount you choose.

ISSUE AGES

Employees and their spouses age 18 and up and eligible children from birth through age 25.

PORTABLE PROTECTION

Keep your insurance when changing jobs by opting to pay premiums directly to us within 31 days of leaving your current job. Just let us know you wish to continue your critical illness insurance policy, and we'll simply bill you directly.

CriticalAssistance Plus is not compatible with Health Savings Accounts (HSAs).

Summary of Benefits

Critical Illness Lump Sum Benefit

CriticalAssistance Plus pays you a lump sum benefit equal to the Benefit Election multiplied by the applicable percentage shown in the Schedule of Benefits upon the initial positive diagnosis* for the first ever occurrence of a covered critical illness within each category (as selected by your employer). If the benefit payment is less than 100% of the selected benefit amount, we will pay a lump sum benefit amount upon the diagnosis of a different type of critical illness within the same category.

The cumulative Critical Illness Lump Sum Benefit paid within each category will not exceed 100% of the benefit amount. The maximum lifetime benefit is three times the selected lump sum benefit amount.

** The positive diagnosis must be the first diagnosis ever for any critical illness within the same category as the critical illness just diagnosed and be made after the effective date of coverage and while coverage is in force.*

Recurrent Critical Illness Benefit

This benefit pays a lump sum benefit equal to 50% of the Critical Illness Lump Sum Benefit amount for critical illnesses not eligible for the Critical Illness Benefit. The total recurrent benefit paid within each category will not exceed 50% of the benefit amount.

For example: If you are diagnosed for the first time with a heart attack and then diagnosed with a subsequent heart attack more than 12 months later, the full benefit will be paid for the initial heart attack and 50% of the benefit will be paid for the subsequent heart attack.

Cancer Screening Benefit (Category 3)

For plan options with the Cancer Benefit Rider, this benefit pays \$50 per covered person per calendar year for one of the following covered cancer screening tests: mammogram, Pap smears, flexible sigmoidoscopy, PSA (prostate-specific antigen tests), chest x-rays, hemocult stool specimen, ultrasounds, CEA (blood test for colon cancer), CA 125 (blood test for ovarian cancer), biopsy, thermography, colonoscopy, serum protein electrophoresis, bone marrow testing, and blood screenings. These tests must be performed to determine whether cancer exists in a covered person. This is a preventive benefit; diagnosis of cancer is not required for this benefit to be payable. This benefit is limited to one payment per calendar year per covered person.

This wellness benefit will be paid in addition to any other benefit.

CriticalAssistance Plus Limitations and Exclusions

CriticalAssistance Plus contains certain restrictions and exclusions, which are detailed below. It's important that you fully understand these restrictions and limitations.

We may reduce or deny a claim or void coverage for loss incurred by a covered person a) during the first 2 years from the effective date of such coverage for any misstatements in the application which would have materially affected our acceptance of the risk; or b) at any time for fraudulent misstatements in the application.

Under no condition will we pay any benefits for losses or medical expenses incurred prior to the effective date.

Pre-Existing Condition Provision

No benefits are provided during the first 12 months for any critical illness that has been diagnosed, treated, or for which the covered person has incurred expense or has taken medication within 12 months prior to the effective date of such person's coverage. A pre-existing condition is a sickness or physical condition for which the insured:

1. had treatment,
2. incurred expense,
3. took medication or
4. received a diagnosis or advice from a physician, during the 12-month period immediately before the effective date of the insured's coverage. A pre-existing condition also includes a condition that manifests itself in a way that would cause a person to seek medical advice, diagnosis, care or treatment.

Other Exclusions

Additionally, the CriticalAssistance Plus policy does not cover losses caused by, or as a result of the following:

- conditions other than those due to a covered critical illness.
- the covered person participating or attempting to participate in an illegal activity.
- the covered person intentionally causing self-inflicted injury.
- the covered person committing or attempting to commit suicide, whether sane or insane. In the event of suicide, the Company's liability may be limited to only the return of premiums paid. In Missouri, suicide is no defense to payment of benefits unless the Company can show the insured intended suicide when he/she applied/enrolled for coverage.
- surgeries performed outside the United States or its territories.
- the covered person's involvement in any period of armed conflict.

Termination of Coverage

Subject to the Portability Option, your insurance will cease on the earliest of:

1. The last day of the payroll deduction period during which you cease to be eligible for coverage;
2. The end of the last period for which premium payment has been made to us;
3. The last day of the payroll deduction period during which you terminate employment;
4. The date the group master policy terminates; or (except in Florida)
5. The date you send us a written notice that you want to cancel coverage.

The insurance on a dependent will cease on the earliest of:

1. The date your coverage terminates; or
2. The end of the last period for which premium payment has been made to us;
3. The date the dependent no longer meets the definition of dependent;
4. The date the policy is modified to exclude dependent coverage; or
5. The date you send us a written notice that you want to cancel your dependent's coverage.

We will have the right to terminate the coverage of any covered person who submits a fraudulent claim under the policy.

Portability Option

If you lose eligibility for this insurance for any reason other than nonpayment of premiums, you will have the option to continue the coverage (including any riders, if applicable) by paying the premiums directly to the company or at our administrative office within 31 days after this insurance terminates. We will bill you directly for these premiums after you notify us to continue coverage. If you stop paying the premiums under this option, this coverage will continue, subject to the terms of the grace period.

Waiting Period

There is no waiting period.

Additional Riders

Cancer Benefit Rider (Category 3)

We will only pay for loss as a direct result of cancer, except for cancer screening. Proof of positive diagnosis must be submitted with each new claim.
